We use data processors who are third parties who provide elements of services for us. We have contracts in place with our data processors. This means that they cannot do anything with your personal information unless we have instructed them to do it. They will not share your personal information with any organisation apart from us. They will hold it securely and retain it for the period we instruct.

Trainee teachers will not include any personally identifiable data within their course work, and sign a confidentiality agreement prior to commencing their placement. If the trainee wishes to include personally identifiable data, they must seek the consent of the parent/carer and, if appropriate, pupil.

8 Youth support services

Pupils aged 13+

Once our pupils reach the age of 13, we also pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

This enables them to provide services as follows:

- youth support services
- careers advisers

Parents are able to request that only their child's name, address and date of birth are passed to the LA or youth support services, by informing Natalie Deakin via email – datateam@southaxholme-iet.co.uk. Once pupils reach 16 years of age, this right is transferred to them, rather than their parents.

The information that we share with these parties includes the following:
