PERSONAL BELONGINGS

2025-26

This statement applies to all academies in Isle Education Trust.

Individuals (including staff, students, volunteers, contractors) are responsible for the care and safekeeping of their personal property during their time on IET sites and the transition to site.

IET does not accept any responsibility for the theft or damage of personal belongings brought onto the premises and do not insure the personal effects of individuals whilst on site. It is recommended therefore that any expensive items be covered by the individual's/ parent/carer's own insurance.

Personal possessions, include but are not limited to musical instruments, mobile phones/devices, vehicles, bicycles and jewellery.

If individuals bring electrical goods on site, they should check with the Estates Team prior to plugging any equipment in to ensure that the correct PAT testing has been carried out.
